Subject: Potential CPHEA New PFAS Funding

Wayne,

I incorporated the input from CPHEA Divisions (PESD, PHESD, and PHITD) into the table that Andy Gillespie initially provided. I did not do any editing, however, after clarifying with Alan that his input did not reflect new funding, I did not add it to this table. I also included an entry for OSIM reflecting the IT programming support that is needed for the Nation PFAS Data Explorer. Let me know if you would like to vet further or transfer to Andy as is and whether you would like for me to send.

Tim
